Date _____

Bass River Marina Winter Rate/Storage/Service order worksheet 2022-2023

- Please fill out the form in its entirety. This signed checklist will be considered authorization to perform the services desired. Contact BRM Service Department for more details.

Boat Owners Name _____ Boat Make/Model _____
 Mailing Address _____ Engine(s) ___ Model _____
 _____ Boat Name _____
 Phone Number _____ Slip Number _____ / Inside / Outside Rack
 E-Mail Address _____ LOA _____ BY Water or Trailer
 Requested haul Date _____ Key Location _____

Engine Winterization: # of engines _____
 ___ Inboard \$250.00 Plus parts
 ___ Inboard/Outboard \$225.00 Plus Parts

Outboard Motor Winterization: Plus parts
 ___ 1 CYL \$120.00 ___ 4 CYL \$265.00
 ___ 2 CYL \$140.00 ___ 6 CYL \$310.00
 ___ 3 CYL \$195.00 ___ 8 CYL \$350.00

Engine Oil and Filter Change: # of engines _____
 ___ Gas Engines \$150.00 plus parts
 ___ Diesel Engines \$250.00 plus parts
 ___ Generators \$130.00 plus parts

Inboard Transmission Fluid Change: # of trans. _____
 ___ \$180.00 plus parts

Generator Winterization:
 ___ \$180.00 Plus Parts

Outdrive Maintenance Package: # of drives _____
 ___ Outboard \$240.00 Plus Parts
 ___ I/O \$295.00 Plus parts

Fresh Water Sys Winterization:
 ___ \$150.00 Plus parts

Air Conditioning Unit Winterization: # of units _____
 ___ \$125.00 Plus Parts

Raw Water Sys Winterization:
 ___ \$150.00 plus parts

Head System Winterization:
 ___ \$150.00 Plus Parts

Shrinkwrapping: Materials Incl.
 ___ 13' - 22' boat \$26.00 per foot
 ___ 23' - 29' boat \$30.00 per foot
 ___ 30' - 39' boat \$33.00 per foot
 ___ 40' and larger boats per quote

Fuel Injector Service/ EFI Sys Maintenance:
 ___ per quote, winter work rates applied

Canvas Storage: ___ \$150.00

Haul & Launch Service: ___ \$10.00/ft each way

Power Wash Hull Bottom: ___ \$9.00 per foot

___ **Winter Work (describe on back page)**

___ **Outside Winter Storage \$40.00 per foot**

___ **Inside winter Storage \$18/sq.ft.**

PLEASE READ AND SIGN BACK OF THIS PAGE Inside rack/slip customer \$13/sq.ft.

Engine Winterization: Inboard - R&R fuel/water separator filter, stabilize fuel, flush, drain cooling system, run no-toxic anti-freeze throughout cooling system, fog, spray engine w/corrosion protection and disconnect batteries.

- Inboard/Outboard – Same process as inboard, plus prop shaft & transom assy fittings greased and gear lube change.
- Labor only All parts additional

Outboard Motor Winterization: R&R fuel/water separator filter, stabilize fuel, flush, fog, spray motor with corrosion protection, change gear lube, grease prop shaft & fittings. Parts additional

Engine Oil and Filter Change: We highly recommend an oil change before winter lay up. Leaving dirty/used oil in your engine For months at a time can lead to internal damage.

Generator Winterization: Same process as inboard engine winterization.

Outdrive Maintenance: Remove drive, drain gear lube, pressure test, re-fill gear lube, grease u-joints, input shaft, Prop shaft, shift linkages and transom assy fittings. Inspect transom assembly bellows, gimbal bearing, hoses and Senders. Store drive and install in the spring with new gasket and o-rings.

- This service is recommended by the drive manufactures every year

Air Conditioning Winterization: Drain raw water, run non-toxic anti-freeze through system. Check hoses and thru hulls

Head System Winterization: Drain raw water, run non-toxic anti-freeze through system. Check hoses and Thru hulls.

Fresh Water System Winterization: Drain water, by-pass hot water heater if equipped, run non-toxic anti-freeze through pumps, lines and receptacles. Check hoses and thru hulls.

Raw Water System Winterization: Drain, run non-toxic anti-freeze through pumps, lines and receptacles.

Canvas Storage: Remove boat canvas, heated inside storage.

Fuel Injector Service/EFI System Maintenance: Remove injectors for cleaning, volume, ohms, reverse cycle and leakage testing. R&R misc. filters ie; VST, In-line and fuel/water seps. Cleaning of fuel rails, VST tanks and other system components depending on model.

- Service is estimated for model of motor. Winter work rates (\$130 .00 per hour labor) will be applied.

Outside Winter Storage: Pump out holding tank, if requested

Pressure Wash bottom: pressure wash and clean water line with nontoxic acid wash. \$9.00/ft

Winter Work Special: Advance scheduling of service to be performed over the winter season and receive reduced labor Rate.
